Morning Sara,

We have prepared a guidance document for incorporation of the 2018 Wehrum Memorandum into Applicability Determination's (AD) when it is appropriate and how to reference it accurately. This document also explains when you should not reference the Wehrum Memorandum in AD. Please review and provide comments. Scott Jordan has already reviewed, review by Sonja is pending. We hope to send this out to the Regional Offices very soon to support their role in AD preparation.

Thank you, Debra
